## BODY OF PAUL JONES

Remains of Naval Naval Hero Are  
Formally Transferred.

### SOLEMN CEREMONIES.

Services Held in the American Church  
of the French Metropolis in the  
Presence of a Distinguished  
Gathering.

Paris, July 7.—The ceremony of the delivery of the body of Admiral Paul Jones to the representatives of the United States was held at 3:30 Thursday afternoon in the American church in the presence of a distinguished gathering of the highest official, military and naval dignitaries of France, the diplomatic representatives of many countries and the special ambassadors and naval authorities sent from the United States to receive the body. Vast crowds thronged the avenue leading to the church.

The casket rested in front of the chancel of the church with a silken American flag draped over it. The front pews were occupied by Ambassador McCormick, Senior Special Ambassador Porter, Junior Special Ambassador Loomis, Rear Admiral Sigbee and the commanding officers of the ships of the American squadron. Across the aisle sat Premier Rouvier and other cabinet ministers and practically the entire membership of the diplomatic corps.

The formal ceremony consisted of the delivery of the body to General Porter as the finder and custodian, to Mr. Loomis, representing the United States, appointed to receive it, and Mr. Loomis commissioned it to Admiral Sigbee to transport it to America. At the conclusion of the service a detachment of marines bore the casket to an artillery caisson in waiting at the doorway and the cortege proceeded through the Champse Elysees over the Alexander bridge to the esplanade of the Invalides. The crowds which lined the route uncovered their heads respectfully as the casket covered with flags and flowers passed. On reaching the Invalides the body was placed on a high structure, where it was surrounded by French and American officers, while the American and French naval and military forces filed slowly by, rendering military honors to the dead.

Following the review the body was placed in a mortuary chapel at the railroad station, where French and American marines guarded it until the departure of the train for Cherbourg at 10 o'clock to-night.

### STRUNG NEGRO UP.

He Had Disappeared With the Daughter  
of a White Man.

Duman, Ark., July 7.—A negro man working at a saw mill near Rives in Drew county disappeared from his home, and at the same time the sixteen year old daughter of a white man who lived in the same neighborhood was missed. Sheriff Gould of Pine Bluff was notified and found the man and girl at Tamo. He brought them back on the southbound local and the negro was met at the depot here by a crowd of men, who seemed to be from the vicinity of Rives. The officers took him, however, and locked him up in the jail in the court yard. Thursday morning it was discovered that the jail had been broken open and the negro was found hanging to a telegraph pole half a mile from town. The coroner's jury found upon the body a letter addressed to Joe Woodman, Rives, Ark., postmarked Horatio, Ark.

### EPWORTH LEAGUE.

Seventh Annual Convention Begins  
With Three Meetings.

Denver, July 7.—The seventh annual convention of the Epworth League was opened with three meetings which taxed the utmost capacity of the Coliseum hall, Trinity Methodist Episcopal church and Central Presbyterian church, the largest auditoriums in the city. The chairmen were Bishop Joseph B. Berry, Buffalo; Dr. Stephen I. Herben of Chicago, editor of the Epworth Herald, and Rev. Melvin Taylor of Quebec.

### Several Subjects.

Baltimore, July 7.—At the second day's session of the Christian Endeavor convention several subjects were discussed. There was a junior and intermediate rally. "The Brotherhood of Christian Endeavor" was the keynote of two largely attended meetings.

### FILES PETITION.

C. J. Devlin Takes This Action in the  
United States District Court.

Topeka, Kan., July 7.—C. J. Devlin filed in the United States district court a voluntary petition in bankruptcy. The action was decided upon at a lengthy conference between Mr. Devlin and his attorneys. Mr. Devlin was in favor of the move because it would centralize the handling of all his properties and make easier the settlement of all his creditors, the principal one of which is the First National bank. Judge Pollack granted the petition.

### Will Extend Aid.

Topeka, Kan., July 7.—The Santa Fe railroad is preparing to extend aid to all the Devlin companies until such a

time as a final settlement can be made. This step is being considered by the company as the best method of protecting itself from loss. All the Santa Fe mines in Kansas are being operated by Devlin, and it is necessary to keep the mines running in order to keep that road supplied with coal.

### Girl Killed by Lightning.

Sunset, Tex., July 7.—A small girl of Rev. J. R. St. John was instantly killed by a stroke of lightning. All the family were severely shocked, several of them being knocked down.

### ARRIVES AT CHERBOURG.

Body of Late Admiral Paul Jones at  
the French Seaport.

Cherbourg, July 7.—The funeral train bearing the body of Admiral Paul Jones and 500 American sailors and marines arrived here from Paris at 7:30 o'clock Friday. An enormous crowd surrounded the railroad station and witnessed the removal of the body to the mortuary chapel erected on the wharf of the American Steamship line. The chapel was beautifully decorated with palms, flags and escutcheons from the naval arsenal. American Consul Hanneville and many French officers took part in the ceremonies. The American sailors and marines were drawn up in battalion form, facing the Twenty-fifth regiment of French Infantry. The body was borne between saluting French and American forces to a catafalque, where it was covered with flags and flowers, the band of the United States flagship Brooklyn playing the national anthem. The town people then defiled before the coffin, respectfully uncovering as they did so.

### MURDER MYSTERY.

Baby Thrown Into Water at Chicago  
by an Unknown Man.

Chicago, July 7.—Mystery surrounds the identity of a well dressed man who has thrown a six-months-old baby into the North branch of the Chicago river near the Webster avenue railroad bridge. The baby was drowned and its body was recovered by the bridge lamp tender, who witnessed the act and fished the body out with a pole. Two men saw the deed but the child murderer escaped, although an attempt was made to catch him. The only clew the police have to work on is a description of the culprit furnished by the witnesses.

### Sixty-Four So Far.

Chicago, July 7.—Four victims of Fourth of July accidents have died in Chicago. In addition two deaths were the result of injuries received on the evening of July 3. One of these already had been counted in the totals, which now in the entire country, says the Tribune, reach sixty-four.

### Inhaled Furnace Fumes.

Chattanooga, Tenn., July 7.—Warner Carr, aged seventeen years, was found dead, and two other boys, Floyd Long and Bob Ross, are unconscious from the effects of inhaling fumes from the city's furnace. The boys went to sleep near the furnace. Long and Ross will both probably recover.

### Cotton at New York.

New York, July 7.—Responding to disappointing cables the cotton market opened easy Friday at unchanged prices to decline of 8 points, but in spite of favorable weather reports market rallied to about closing figure of Thursday on active months by continued demand through wire and commission houses.

### Presents Her Petition.

London, July 7.—Mrs. James Brown Pott presented her own petition in bankruptcy and the court appointed a receiver. The American actress lost heavily as a result of recent productions at the Savoy theater, and all her personal effects and her home at Maidenhead were sold last week.

### ARRESTED FIVE BOYS.

Sheriff Hooker Makes Five Arrests in  
the Blount Shooting Case.

Sheriff Hooker returned last  
night about 11 o'clock from An-  
derson Prairie and the scene of  
the shooting of Lester Blount, hav-  
ing arrested the following young  
men in connection with the shoot-  
ing: R. E. Barry, Will Poke, Gus  
Burns, Caldwell Davis and Will  
Chesshere. They were lodged in  
jail, where they will remain until  
the examining trial, which will be  
held as soon as the necessary wit-  
nesses, etc., are summoned.

The condition of Mr. Blount is  
serious in the extreme, and it is  
doubtful if he can recover. He  
was shot from the neck to his legs,  
in front, with number four shot,  
and at close range. One shot  
penetrated the windpipe.

From a reliable source the fol-  
lowing is gleaned: Before dark  
three of the above boys were seen  
together, and later on the others  
joined them, making five in all.  
Lester Blount and his brother  
suspected that a raid on their  
melon patch was contemplated,  
owing to its having been depredated  
upon a short while before and  
many choice melons broken and  
destroyed. Taking a shot gun  
along they went out to the patch  
after dark and had been there only  
a few minutes when the parties  
were seen to enter. Thinking to  
scare them away, the gun was fired  
into the air, when the fire was re-  
turned and Lester Blount shot as  
reported. The same five boys  
were seen together later on after  
the shooting. Who did the shoot-  
ing will of course have to proven.  
So far it is a case of circumstantial  
evidence wholly.—Navasota Re-  
view.

### CHEAPEST RATES TO COLORADO EVER KNOWN.

In view of the intense interest in  
Colorado's attractions this season,  
and the rather extraordinary de-  
mands for a cheap rate excursion  
for the benefit of vacationists, the  
Fort Worth and Denver City and  
Houston & Texas Central Roads  
have announced a rate from all  
Texas points to Pueblo, Colorado  
Springs and Denver and return, of  
but three-fourths of one fare for  
the round trip; tickets to be on  
sale July 9th and 10th, with a  
limit of 60 days, and to be good  
for stop-over privileges at all points  
between Trinidad and Denver, in  
either or both directions.

This is really an extraordinary  
arrangement and one which will at  
once appeal to hundreds who  
could not visit that most interest-  
ing section under the higher rates  
ordinarily effective.

Anticipating an appreciation of  
the conditions related, it is under-  
stood the lines mentioned will have  
occasion to add considerable extra  
equipment to their trains of the 9th  
and 10th, including tourist sleep-  
ers, and that arrangements to that  
end are perfected.

Rate from Houston will be \$24.  
15; from Fort Worth \$18.00, and  
from all other points correspond-  
ingly low.

Tourist Sleeper Rates from Fort  
Worth will be \$2.50 per double  
berth, which may be used by two  
persons without extra cost.

## EVIDENTLY ESCAPED.

There Seems to Be Conflicting Re-  
ports About Vessel.

### SECURES AMPLE COAL

Torpedoboot Destroyer, Fully Manned,  
Goes In Pursuit of the Kniaz  
Potemkine, but Is Several  
Hours Behind.

St. Petersburg, July 7.—The Kniaz  
Potemkine escaped from Theodosia be-  
fore the Black Sea fleet arrived there  
from Sevastopol, and as the fleet did  
not put into Theodosia it is presumed  
the warships are in pursuit of the  
Kniaz Potemkine. Advice received by  
the admiralty, however, are meager  
and most conflicting. It is considered  
possible "Ensign and Quartermaster"  
Alexieff, who commands the Kniaz Po-  
temkine, was advised of the fleet's com-  
ing and left Theodosia. At any rate, it  
is clear she sailed from a British ship,  
which she subsequently released and  
then sailed away. Reports as to the  
direction taken by the Kniaz Potem-  
kine do not agree. Admiral Wren-  
tzen, chief of the general staff of the navy,  
informed the Associated Press that one  
report said she sailed westward in the  
direction of Livadia, raising the sus-  
picion that it was the intention of her  
crew to bombard the emperor's sum-  
mer palace. Another rumor said that  
when the Kniaz Potemkine was last  
seen she was headed southeast as if  
bound for Caucasus Littoral. This was  
subsequently supplemented by a report  
from Sevastopol that the Kniaz Potem-  
kine had put into Tuapse, half way to  
Poti, and had been captured in some  
mysterious fashion by soldiers. The  
torpedoboot destroyer Smeltivy,  
manned by her crew, officers and blue  
jackets, who volunteered to sink the  
mutineer, reached Theodosia several  
hours after the Kniaz Potemkine de-  
parted, and after hurriedly coaling the  
Smeltivy put to sea, presumably in  
pursuit of the rebel battleship.

### No Bombardment.

Theodosia, July 7.—Reports sent  
from Odessa to London newspapers  
regarding the bombardment of Theo-  
dosia are untrue. Order has been ful-  
ly maintained in the town by troops.  
Before leaving Theodosia the Kniaz  
Potemkine sighted a British collier,  
which she followed seaward and from  
which she took a quantity of coal.

### REFUGEES RIOTOUS.

Master of Ship Forced to Place the  
Ringleaders in Irons.

Seattle, Wash., July 7.—Russian re-  
fugees being taken from Shanghai to  
Odessa on the Seattle steamship Ga-  
ronne became so riotous between the  
China port and Singapore that Cap-  
tain Robert Lawe, master of the ship,  
was forced to place the ringleaders in  
irons. Upon arriving at Singapore  
Captain Lawe appealed to the Russian  
consul to have the more turbulent of  
his passengers taken from the ship.  
His request was refused and he  
promptly purchased enough rifles and  
ammunition to arm his crew. Then he  
clapped more of the disturbers in irons  
and subduing the rest by show of arms  
continued on his voyage. Reaching  
Odessa the Garonne found the town in  
a state of siege and accordingly went  
to Theodosia, where she arrived in  
safety, according to a dispatch from  
Captain Lawe to Frank Waterhouse,  
owner of the Garonne.

### HOLLAND HANGS.

Case Sent Up For Life.

Hopkinsville, Ky., July 7.—George  
Holland, an old negro, hanged here  
Friday for murder two years ago of  
an unknown white man whom he found  
asleep by the roadside near Pembroke,  
Ky. Eight other negroes who were  
convicted for participation in the murder  
were given life sentences.

### Swung at Sunrise.

Owensboro, Ky., July 7.—After a fu-  
tile attempt at suicide Robert Mathely  
was hanged at sunrise in the jail yard  
here Friday for the murder of Emma  
Watkins and James Gregson. The  
crime was committed June 26, 1904.  
Jealousy was the cause. Mathely on  
the scaffold, declared a woman swore  
his life away. During Thursday night  
Mathely tore the veins in his arms and  
nearly bled to death before his attempt  
to commit suicide was discovered. He  
was forty years of age and a contrac-  
tor.

ment, banks and private individuals  
here are generally subscribing to the re-  
lief fund for the Guanajuato sufferers.  
The government is giving liberally and  
Vera Cruz has sent \$10,000. Foreign  
residents are also aiding. It is now  
denied that the patients in the hospi-  
tal were drowned, the water not reach-  
ing the building.

tised by his father, nearly cut off his  
parent's head with an axe.

## RIGHT TIME TO CURE CATARRH.

The early summer when the weather becomes warm and settled, is the best time of the whole year to treat catarrhal troubles with the expectation of complete and lasting relief.

Everyone who has catarrh of the head and throat should know how foolish it is to try and cure it by drugging the stomach.

Until recently your physician would have said that the only way to cure catarrh would be by a change of climate, but now with Hyomei you can carry a health-giving climate in your purse or vest pocket, and by breathing it a few minutes four times a day soon cure yourself.

Everyone who has catarrh, or even a tendency to catarrh, should use Hyomei now, for the benefit will be gained twice as quickly and the disease thoroughly eradicated from the system.

The complete Hyomei outfit costs but one dollar, and includes a neat pocket inhaler, a medicine dropper, and sufficient Hyomei for several weeks' treatment. The inhaler lasts a lifetime, and if more Hyomei is needed, extra bottles can be obtained for 50 cents.

In Bryan there are scores of well known people who have been cured of catarrh by Hyomei. If it does not cure you, E. J. Jenkins will return your money. This is the strongest evidence he can offer as to his faith in the remedy.

Claude G. Walker has returned from the Huntsville district conference of the Methodist church, and the other members of the delegation are expected home today or to-night. The proposition for establishing a Girls' Training School at Bryan was favorably reported by the committee on education and the conference passed a strong resolution indorsing the movement, and will aid in bringing the matter before the Texas conference at Pittsburg. Mr. Walker speaks enthusiastically of the hospitality of the Huntsville people and says the delegates to the conference were royally entertained.

There will be a called meeting of L. S. Ross chapter, U. D. C., held at the home of Mrs. J. W. Johnson Monday afternoon, July 10, at 5 o'clock. All members are especially urged to attend, as it is desired to arrange for a benefit entertainment to be held later in the week. 184

### OLD LANDMARK ASSOCIATION.

Increased Attendance of Delegates, and Much Interest Manifested.

The Old Landmark Colored Baptist Association was opened at 11 o'clock Thursday morning, Moderator Rev. A. Barbour presiding. The congregation sang "Weary, Heavy Laden." Rev. L. Jones read a part of the 16th chapter of St. John, and the choir sang "Am I a Soldier of the Cross." The journal of the proceedings was read and the regular routine business was resumed.

The delegation is largely increased from what it was on the first day.

The congregation, led by Rev. D. J. Thompson, sang "Glory to His Name."

Prof. W. H. Germany was introduced and read an able paper on "The Importance of Doing Missionary Work in the District."

The session adjourned until 3:30 p. m.

The afternoon session was reconvened at 3:30 p. m. with Vice Moderator Rev. F. C. Collins, presiding. Rev. G. W. Wyatt conducted devotional exercises by reading a part of the 9th chapter of Hosea. This was followed by prayer and song.

The usual order of business was taken up, the Moderator announcing the following committees:

On Education—J. M. Codwell, chairman.

On Foreign Missions—Rev. F. L. Woodard, chairman.

On Temperance — Rev. D. J. Thompson, chairman.

On State Missions—Rev. J. E. Boyd, chairman.

The meeting adjourned to give the committees a chance to meet and prepare their reports.

The night service was largely attended. At an early hour the church building, though larger than usual church edifices, was filled to overflowing and standing room was at a premium. A warm spirited prayer service was conducted, Rev. D. J. Thompson of Georgetown leading the service. Preceding the sermon the congregation sang "Is Your Heart Right With God." Rev. K. H. Little read Isaiah 35, and Rev. J. E. Boyd offered prayer. The speaker, Rev. A. Barbour, then took the stand and, after a few preliminary

remarks, announced as his text Isaiah 35-10: "And the ransomed of the Lord shall return." The sermon was indeed a powerful one and carried conviction to the hearts of the congregation. Rev. L. W. Mackey offered a fervent prayer. The congregation sang "Blessed Are the Poor in Spirit," and a collection was taken for State missions.

Rev. A. G. Perkins, an attorney of Galveston, was among the leading messengers at the meeting.

The third day's session of the Association opened at 10 o'clock yesterday morning with Vice Moderator Rev. F. C. Collins in the chair. Rev. M. D. Davis conducted the devotions by reading the 2d chapter of II Cor., and then led in prayer. The journal of the previous session was read and approved. The reports of the Secretary and treasurer were read, showing total amount collected at the last session, \$717.90.

### NO REPORT.

Not Known Whether an Encounter  
Had Taken Place.

St. Petersburg, July 7.—Up to 8  
o'clock Friday morning no report was  
received from Theodosia of the arrival  
of the squadron from Sebastopol and  
it is not known whether an encounter  
with the Kniaz Potemkin has taken  
place or whether the battleship has ex-  
ecuted its threat to bombard the city  
unless furnished with the supply of  
coal demanded. The latest reports from  
Theodosia received here, timed 4:30  
o'clock Thursday afternoon, reported  
that the Kniaz Potemkin was cruising  
off shore in sight of the town, but it is  
possible she may have left that vicinity  
before the arrival of the squadron.  
A press dispatch from Sebastopol  
gives a rumor that the Kniaz Potem-  
kin went seaward late Thursday.

at Eaku is so serious that the oil men  
have telegraphed to the minister of the  
interior for permission to organize a  
militia in self defense.

### SHOT AT BRIDE.

Makes Desperate Effort to Murder His  
Wife and Suicides.

New Orleans, July 7.—Ending a two  
months' honeymoon, John L. Flynn, a  
Mississippian, has made a desperate  
attempt to murder his young bride at  
Kaplan, La., and then committed sui-  
cide. Flynn was employed by a large  
cotton house here. In May last C. F.  
Hudson, an aged Confederate veteran  
of Greeley, Colo., arrived here with his  
daughter, Miss Virginia Hudson, a  
handsome young woman, to meet Flynn  
by appointment. On May 27 the cou-  
ple were married in a boarding house  
and the father returned to his home.  
Subsequently the young couple went  
to Kaplan where, apparently, they lived  
happily. Flynn fired two shots at his  
wife and then blew his brains out.

rent Friday tend to confirm advices of  
the Associated Press from Moscow July  
5 to the effect that the emperor is pre-  
pared to go to the Kremlin and issue

citement prevailed Friday owing to the

### SAILORS SURPRISED.

Honolulu, July 7.—Included in the  
crew and officers of the wrecked Nor-  
wegian vessels Salama and Victor,  
brought here by the schooner Matthew  
Turner, are twenty-six Norwegians,  
who were greatly surprised to learn of  
the separation of their country from

MEETING HOUSE OF THE NORWEGIAN

Sweden and who were in doubt as to  
what consul to call on for assistance.

for Norway and Sweden, is without  
official notice of the severance of the  
relations between the two countries,  
and he will send the men home if they  
do not secure employment here.

### ROOT ACCEPTS.

Formal Announcement to This Effect  
Made by Secretary Loeb.

Oyster Bay, N. Y., July 7.—The an-  
nouncement was made Friday on the  
authority of President Roosevelt in the  
following statement given out by Sec-  
retary Loeb: "Ellihu Root has accept-  
ed the tender by the president of the  
secretaryship of state. He will take  
the oath of office in a couple of weeks,  
but it will necessarily be some little  
time before he closes up his business  
affairs. He will not go to Washington  
permanently until some time in Sep-  
tember."

### PRESIDENT PLEASED.

Chief Executive Gratified at Root Be-  
coming Secretary of State.

Oyster Bay, N. Y., July 7.—President  
Roosevelt is much gratified at Mr.  
Root's acceptance of the secretaryship  
of state and deeply sensible of the per-  
sonal sacrifices made by Mr. Root in  
again taking the burdens of the duties  
of a member of the cabinet. The de-  
cision of Mr. Root was reached finally  
on the president's special train during  
the return of the presidential party  
from Cleveland. For personal reasons  
entertained both by the president and  
by Mr. Root it was deemed desirable  
not to announce the decision publicly  
until the president had returned to  
Sagamore Hill. It is intended that Mr.  
Root assume the duties of secretary of  
state practically at once, although it  
will be perhaps two weeks before he  
will formally take the oath of office.  
His professional interests are so large  
that he will have to devote consider-  
able time to satisfactorily arrange  
them before he goes to Washington to  
take permanent charge of the state de-  
partment. When he takes active  
charge of the department he gives up  
entirely his law practice.

Hand.

supposed that despondency, due to poor  
health, led him to commit suicide. He  
was forty years of age, and a graduate  
of the Yale class of 1888.

### Bible Reading Denounced.

Cleveland, O., July 7.—The reading of

Burleson, Tex., July 7.—Word has  
been received that Jim Brewer, a young  
man near Lillian, ten miles east of  
here, was held up by two masked men  
and cruelly beaten. The report did not  
say whether the young man was  
robbed or not. Young Brewer was  
carried to his father's home and left in  
the yard, where he was found by the  
family.

### DEATH LIST GROWS.

About Fifteen of These Dead Suc-  
cumbed to Injuries.

Nocona, Tex., July 7.—The death list  
of the cyclone of Wednesday has grown  
to between twenty-five and thirty.  
About half of these were people who  
were seriously injured in the storm and  
succumbed to their wounds. About fif-  
teen were killed outright.

The cyclone formed west of Barrel  
Springs and traveled in a southeasterly  
direction for seven or eight miles. Its  
path was from a quarter to three-quar-  
ters of a mile wide and everything was  
destroyed. Some fifteen houses were  
demolished. The Barrel Springs school  
house is about three miles southwest of  
Nocona and here the cyclone formed.  
The courthouse at Montague was dam-  
aged about \$1000. Several churches  
and a number of business houses were  
unroofed, but no lives were lost at  
Montague.

The citizens of St. Joe raised \$325 for  
the storm sufferers. All the towns in  
Montague county are sending assist-  
ance. The extent of the damage can  
not be estimated at this time, but it  
will reach many thousands of dollars.

The greatest damage and loss of life  
was in the Barrel Springs community.  
All the bodies so far recovered have  
been brought here, this being the near-  
est point to Barrel Springs.
